Teaching interests
Undergraduate and graduate level econometrics.

Teaching experience
Introduction to Econometrics, undergraduate, graduate, instructor, 2024-2026.

Advanced Econometrics, undergraduate, instructor, 2017–2019.

Programing for Econometrics and Operations Research, undergraduate, instructor, 2024-2026.

MATLAB, R, Stata Workshops, undergraduate, graduate, instructor, 2015–2026.

Research Project, undergraduate, instructor, 2023–2026.

Empirical Research Paper, undergraduate, instructor, 2020-2026.

BSc thesis Econometrics, supervisor, 2016–2026.

MSc thesis Econometrics, supervisor, 2014–2026.

Advanced Econometrics, graduate, assistant, 2015–2019.

Introduction to Econometrics, undergraduate, graduate, assistant, 2017–2026.

Empirical Research in Economics, graduate, assistant, 2006–2010.

Statistics, undergraduate, assistant, 2006–2010, 2016.

Introduction to Finance and Actuarial Science, undergraduate, assistant, 2017–2019.

Teaching qualifications
University Teaching Qualification (UTQ), University of Groningen, 2026.

Masterclass “Education on Stage”, Tilburg University, 2010.

PhD supervision
Mario Bernasconi, jointly with Arthur van Soest and Alexandros Theloudis, 2024. First placement: post-doctoral researcher at University of Basel.

Pieter Postma, jointly with Adriaan Soetevent. PhD start 2027; expected graduation 2030.

Education
PhD in Econometrics. Tilburg University, Tilburg, Netherlands, 09.2011. Supervisor: Prof. Arthur van Soest.

MSc in Econometrics, MSc in Economics. Maastricht University, Maastricht, Netherlands, 06.2005, Supervisor: Prof. Sybrand Schim van der Loeff.

BSc in Business Administration, Bilkent University, Ankara, Turkey, 06.2001 (Cum laude).

Languages
Dutch (Intermediate), English (Fluent), Turkish (Native)
